STRAPPED 'N STRONG

A FILM BY JOOST VAN DER VALK AND MAGS GAVAN

CRIPS Strapped 'n Strong is a documentary about the violent lives of the Crips, a group of Dutch gangsters, involved in drugs, rip deals and gangsta rap. The filmmakers were given unrestricted access to 'Gangland Holland' and manage to give an insight, not only into a dark, separate reality but also into the workings of the criminal mind. 85'/55'
